

# Sunflower Nursery

A Nursery That Cares

Established in 2015, Sunflower Garden Nursery is a subsidiary of Future Investment Group, a diversified business group owned by a prominent local family. Sunflower Nursery is 21stCentury learning Nursery that provides safe and quality child care service for age groups 0-4 years.

**Sunflower is an ideal choice for every parent on their lookout for a play school for their precious little darlings.**

**Sunflower follows the highly reputed Early Years Foundation Stage (EYFS) approach.**

## Learning Begins Here

The primary objective of the Nursery is to provide quality learning experiences for all children at the same time giving maximum attention to the safety and wellbeing of the children. Our Qualified and experienced teachers are equipped with special skills that enable them to provide each child with the best of learning. Sunflower Nursery employs dedicated, passionate and caring staff who ensures that each child receives support and attention.

Sunflower Nursery focuses on three prime areas, which are the foundations for children's ability to learn and develop personal, social and emotional.

Located at 135, Al Burj Street, Falaz Haza in a spacious villa, Sunflower is widely acknowledged for its exceptional care and support for the children.

## Nurturing Innovation and Creativity

Children are exposed to a curriculum that promotes the development of Innovation, Creativity, Problem-solving and thinking skills that are transferable and empowering.

Learning Begins Here
